Underwriters shall not be liable for expenses incurred for any medical condition which originated prior to the date of acceptance of your membership or which was foreseeable at the time of application or any condition caused by the aforesaid medical conditions unless such medical conditions have been declared to and accepted by the Insurers. We rely on the information that you give us in this form when we decide whether or not to accept your application, and whether or not we need to apply special terms. Special terms are exclusions or conditions that we may apply to your cover. If you submit a claim for the treatment of any pre-existing condition or related condition which you omitted to tell us about here or you omit to tell us everything about, we will refuse to pay that claim. We also have the right to declare your IPH plan void, or we may impose special terms on your plan which will apply retrospectively. Please therefore take the greatest care to ensure that this application form is completed fully and accurately. If you are uncertain about whether any particular fact needs to be disclosed, you should include it. If you consider that the answer to any question in the proposal form requires expert knowledge which you do not have, you should indicate this in your answer.

CONTINUING DUTY OF DISCLOSURE
